ECONOMIA DE ESPAÇO ÚTIL

Soluções transformáveis

Programa desenvolvido para transformar e rentabilizar espaços domésticos, escritórios, espaços comerciais, bares, auto-caravanas, barcos e outros ambientes, permitindo aos seus utilizadores obter uma mesa ou balcão, apenas com um gesto simples de “abrir ou fechar uma gaveta”.

Produtos com design e tecnologia de máxima qualidade.

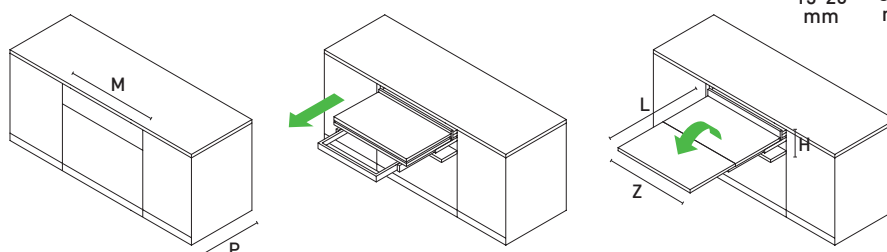

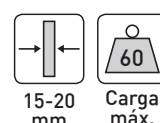

Soluções integradas, cómodas e simples de utilizar.

Várias soluções que garantem uma grande versatilidade.

Adequadas para espaços com conceção e design contemporâneo.
